**Superintendent of Schools**

**J. Scott Cascone, Ed.D.**

April 14, 2020

Dear West Orange Parents and Guardians:

In our effort to provide assistance to our students during this difficult time, the West Orange Public School district has coordinated protocols to support families should anyone at home become ill with COVID-19. Our focus remains on our students that they will continue to receive access to caregivers, food, education, and any assistance they would need at all times.

Please contact your physician with any symptoms of illness. If you or a family member is confirmed positive or you believe you have COVID-19, please contact your School Nurse. Your School Nurse will reach out to check-in and ascertain any needs that you may have. Our teachers have also been directed to report to their School Nurses any information they receive, but we encourage you to contact School Nurse and/or building Principal directly. Please know that the West Orange Public Schools is committed to our students and families and remains vigilant in our efforts to ensure our community health, safety, and well-being.

Please know, we are facing these unprecedented times together and value your collaboration. We have provided contact information below should you need to contact your school for assistance and support:

<b>School</b>	<b>Principal</b>	<b>School Nurse</b>
Betty Maddalena Early Learning Center	Constance Salimbeno <a href="mailto:csalimbeno@westorangeschools.org">csalimbeno@westorangeschools.org</a>	Linda Connolly Schoner <a href="mailto:lconnollyschoner@westorangeschools.org">lconnollyschoner@westorangeschools.org</a>
