

2018-2019 Board Goals:

Goal #1 Fiscal Management

The District will develop a fiscally responsible spending plan to promote engagement, facilitate learning & student achievement initiatives which meet or exceed NJ State Standards and content, foster advocacy and provide a pathway for continuous improvement.

Goal #2 Curriculum and Instruction

To support a system of curriculum, instruction, and assessment that provides for student success that aligns to the Strategic Plan objectives using data-driven decision making.

Goal #3 Communication

To enhance communication and the building of relationships with the:

A. Community

1. Conduct a board meeting bi-annually in the form of a town Hall Meeting with open discussions on key topics and break out groups

B. Superintendent

1. Update and implement policy guidelines to ensure adequate input into curricula changes and new programs through surveys and focus groups

C. Board Team

1. Explore the subcommittee system
2. Develop Board interrelationships to become more effective as a team
3. Increase efficiency and time management of board meetings
