

# Kelly Elementary Alma Mater

Words by Amy Pacifico and Deborah Rees

Music by Deborah Rees

At Kelly Elementary School,  
We've set our standards high,  
Within these walls we explore and learn  
We're reaching for the sky

We may not know what tomorrow brings,  
But the future's bright as day,  
We love you Kelly Elementary School,  
As you guide us on our way.

The friendships made and lessons learned,  
To you we will stay true,  
Oh Kelly Elementary School,  
We sing this song for you!
