

Goal 1: 21st Century Learning, Facilities and Program Accessibility

Goal Statement: Create 21st Century learning spaces that ensure safety and security in an innovative environment that supports independent, collaborative and experiential learning for students in PreK - 12.

Objective 4: Research grant and partnership opportunities that could provide funding to district-wide projects.

Major Activities	Staff	Resources	Timeline	Indicators of Success
1. Utilize NJSBA grant writing department to identify various grant opportunities in order to supplement funding for district-wide projects.	<ul style="list-style-type: none"> • Superintendent • Asst.
