

Come and join
Environmental
Club with Mr.
Mains and Mr.
Fatica

First meeting will
start on Tuesday,
10/10 afterschool.
Google Classroom
Code: [rjz4dyz](#)

Email Mr. Mains
emains@westorangeschools.org
or Mr. Fatica
wfatica@westorangeschools.org
if interested

The Environmental Club is for students who are interested in nature, issues that occur with the environment, science/mathematics, biodiversity, etc. One of our events we host is Earth Day at Edison! This event is where we plan 1-2 days worth of fun activities, such as planting, taking care of our school's community garden, and our building/grounds. We also grow plants indoors using hydroponic tanks.
