

Thomas A. Edison Central 6 Middle School PTA

Dear Edison Central Six Families

It's hard to believe that we are into our third week of our children's 6th grade year and virtual learning. I've seen so many positive acts of support from our teachers, students and fellow parents. The PTA is also here to help:

- **Celebrate Our Students:** Funds raised by the PTA, including membership dues, help fund end of year events including 6th grade trip & graduation events (pending state guidelines)
- **Connect with Edison Families:** Only with paid membership can you access the directory on MemberHub
- **Show Appreciation:** Support the PTAs teacher recognition efforts
- **Access National & State PTA Resources:** The national & local PTA provides information & support across multiple interests

The PTA can't do any of this without your support. Dues are \$15 per person.
