

At Edison Middle School, all students are enrolled in an online Math account with iReady. Your child completed the iReady Diagnostic test in September. Based on their performance on this diagnostic, iReady created an individualized learning path for them. This path focuses first on the areas that they need the most support. The lessons provide a bit of instruction and then practice problems to solidify their understanding.

What is *i-Ready*?

***i-Ready* is an online program for reading and/or mathematics that will help your student's teacher(s) determine your student's opportunities for growth, personalize their learning, and monitor progress throughout the school year.**

i-Ready allows your teacher(s) to meet your student exactly where they are and provides data to increase your student's learning gains. *i-Ready* consists of two parts:

The *i-Ready* Diagnostic

An adaptive assessment that adjusts its questions to suit your student's instructional priorities. Each item a student sees is individualized based on their answer to the previous question. For example, a series of correct answers will result in slightly harder questions, while a series of incorrect answers will yield slightly easier questions.

***i-Ready* Personalized Instruction**

Provides students with lessons based on their individual skill level and opportunities for improvement, so your student can learn at a pace that is just right for them. These lessons are fun and interactive to keep your student engaged as they learn.

What is our GOAL?

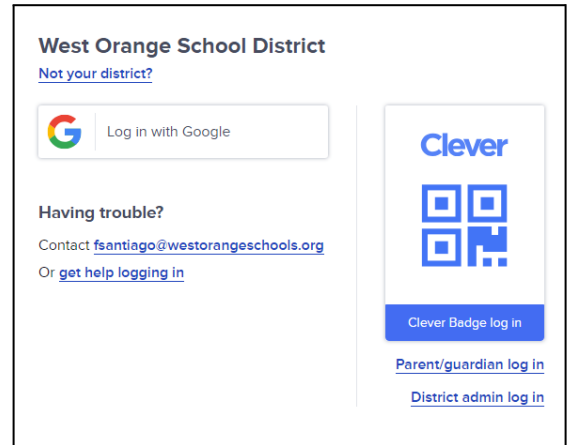

45 Minutes Per Week!

Please encourage your child to complete at least 45 minutes of lessons each week to strengthen their mathematical foundation to ensure future Math success!

How to access the “iReady My Path”?

1. www.woboe.org

How can I check my child’s progress?

You and your student can monitor progress by clicking on **My Progress** in the bottom navigation bar.

On the My Progress page, you will be able to see:

1. **Time-On-Task:** The number of minutes your student has spent this week (Monday–Sunday) on *i-Ready Personalized Instruction*
2. **Lessons Passed:** The total number of lessons your student has passed this school year
3. **Lesson Streak:** How many lessons your student has passed in a row
4. **Completed Work:** The name and quiz score for each lesson your student has taken

We thank you for your continued support! If you would like further information, you can utilize the [iReady Central Family Center](#) website! Also, do not hesitate to reach out to your child’s Math teacher!
