On a large trip, such as this one, it is very important that our expectations for the students are very clear in order to have a smooth running trip that everyone enjoys. Proper behavior in school is a must and the students are expected to represent Liberty and the town of West Orange in a positive manner.

Since participation in any school-sponsored trip is a privilege, which must be earned during the school year, please review Liberty’s policy regarding “SOCIAL RESTRICTION” on pages 12 & 13 of the agenda with your child.

Dress Code: *All students are required to wear the LMS 7th Grade Trip Shirt. No cutting of shirts will be allowed!* They will not be allowed to change, so they need to show up wearing the shirt in the morning. Comfortable jeans or shorts of an appropriate length are fine. Since there will be a lot of walking around the park, sturdy, comfortable sneakers or closed toed shoes are required. Flip flops or sandals are not allowed.

Code of Conduct: **There will be “Check In” points during the day.** All students will be with their advisory teachers on the Off Road Adventure Safari until approximately 12pm. For the rest of the day, all students will be required to check in with their chaperone at certain designated times. It is important that all students report on time to all check ins and departure times. While we are at Six Flags students are required to remain in **groups of four** or larger as a safety precaution. All school rules apply for the day. Any deviation from these expectations will result in any of the following consequences: remaining with a chaperone for the rest of the day, jeopardizing their attendance on future end of the year activities including 8th grade activities next school year, along with a discipline referral to the administration.
