March 2025

Welcome incoming 8th grade families!

The **WOHS Student Life Expo** event has been changed to the evening of **Tuesday, April 29, 2025**, at West Orange High School. The Student Life Expo highlights our athletic programs and clubs. The event begins at 6:30pm and will be open to incoming 8th grade students and families up until 8:00pm. A complete listing of student life opportunities can be found listed in this letter along with the location where you can visit them on April 29. We hope that you will visit both the Tarnoff Gym and the Tarnoff Cafeteria to experience all that West Orange High School has to offer.

Coaches will be available to speak with you about individual WOHS teams and to answer any questions you may have regarding athletics or required physical exams. Club advisors along with student members of those clubs will also be available to highlight their clubs for you. There will be opportunities throughout the evening to sign up in advance for clubs and see some of our groups perform!

This event is free-flowing in the sense that you may visit at any time between the hours of 6:30pm - 8:00pm at any table in which you hold a possible interest. We look forward to an enjoyable and informative evening as we welcome the Class of 2029! Be on the lookout for information throughout the summer as we will hold a formal Freshman Orientation program in late August prior to the opening of school.

Yours in Mountaineer Spirit,
