Transportation Update

In-District

For in-district students, all bus passes will be mailed to the parents/guardians of eligible students by August 24, 2016. Please ensure that your child is at the designated bus stop 10 minutes prior to the pick-up time and that the bus pass remains with your child at all times.

Out-of-District

Parents and guardians who have a child attending an out-of-district school will receive a letter from Sussex County Regional Transportation Cooperative by August 29, 2016 indicating which bus company is transporting your child. By Wednesday August 31st, the contracted bus company is expected to contact the parent/guardian regarding pick-up and drop-off times. If you have not received a call from the out-of-district bus company by Wednesday, August 31st, please contact Mr. DeAngelo, Director of Transportation, during business hours on Thursday, September 1st at 973-669-5357 extension 1.

Non-Public

All bus passes for non-public students attending private schools will be mailed no later than Wednesday, August 24, 2016. The schools include Golda Och Academy, Our Lady of the Lake, Aquinas Academy, Jewish Educational Center/Bruria High School, Joseph Kushner Hebrew Academy, and Montclair Kimberly Academy Upper/Lower.

Trial runs for all routes have been on-going throughout the month of August. Drivers make note of necessary changes during the trial runs and routes are modified and improved during this time period. Safety is the number one priority for all students. We ask for your patience as minor delays may occur during the first few days of the school year.

All questions and concerns regarding bussing may be directed to the Transportation Department at 973-669-5357.

Thank you.
