Tuberculosis (Mantoux) Test Requirement

In accordance with state law, a tuberculosis (Mantoux) test must be administered **prior to the start of employment** to all new employees (full-time and part-time), all student teachers/interns and other persons (i.e. volunteers and substitutes) who have contact with students.

A person will be exempt from the tuberculosis (Mantoux) test if he/she presents satisfactory documentation of a test administered:

- 1) while employed in a New Jersey school district from which the person has transferred;
- 2) within the previous six months; or
- 3) positive tuberculosis (Mantoux) test result can be submitted (regardless of date administered).

If you have had a tuberculosis (Mantoux) test within the time frame listed above, please submit a copy of the results. If you do not meet the above criteria, please contact your physician to have the tuberculosis (Mantoux) test administered and submit these results to the Office of Human Resources.
