SYNOPSIS

Travel down the rabbit hole and join Alice, one of literature's most beloved heroines, in her madcap adventures. Featuring updated songs from Disney's thrilling animated motion pic-

ture, Disney's Alice in Wonderland JR.is a fast-paced take on the classic tale.

The ever-curious Alice's journey begins innocently enough as she chases the White

Rabbit. Her adventures become increasingly more strange as she races the Dodo Bird, gets tied up with Tweedle Dee and Tweedle Dum, raps with a bubble-blowing Caterpillar and meets the Queen of Hearts!

Please Turn off all Cell Phones.

A note from the director...

What a joy it has been to be a part of such a fun production. I am impressed with the cast's dedication, hard work, and their love of being on stage. It has truly been a pleasure working with them.

Alice in Wonderland is a timeless classic. It is a pleasure to present to you these very colorful, creative and whimsical portrayals of Cheshire Cat, Alice, the Mad Hatter, the March Hare, the White Rabbit, Tweedle Dee and Tweedle Dum, and the many other characters of Wonderland.

In Alice in Wonderland Jr, we see a young lady who tries to learn more about who she is and who she would like to become. This tale invites all of us to take a journey with Alice, and jump into at least one rabbit hole because: "If you don't explore,

you'll never discover." -Alice

Don't be surprised if tomorrow morning, you wake up singing "Zip-A-Dee-Doo-Dah", "Paint the Roses Red", or any number of songs from the show. I apologize if you start to singing or humming the songs to yourself the next couple of days.
