Interim Superintendent of Schools

C. Lauren Schoen, Ed. D.

June 21, 2022

Good afternoon West Orange Parents and Guardians,

On this summer solstice– the “longest” day of the year – please accept my good wishes to you, our students, our families, to our faculty, staff, and administration for a wonderful summer season. It has been, to some extent, a year filled with tough times and difficult change, but I hope that you feel that some personal and collective goals have been met.

Our food service provider has recently distributed a notice concerning the availability of breakfast and lunch during the summer for all students 18 years of age and younger at two locations within the district: West Orange High School and Washington Elementary School from July 5 through July 29. Please read the notice carefully in order to take advantage of this opportunity. [Click this Link](#)

Please note that there are Board of Education meetings scheduled between now and the fall semester: July 18; August 8 and 22. The meetings are always informative and often allow a lens into a multitude of district happenings. At last night’s Board meeting, the revised 2022-2023 District Calendar was approved and it is now posted to our website, or you may [click here](#) to view it.

Various departments will be busy preparing our schools for the fall and the district looks forward to welcoming everyone in September. I wish you an enjoyable and relaxing summer with days that allow for some much needed spontaneity and laughter!

Sincerely,

A handwritten signature in black ink that reads "C. Lauren Schoen". The signature is written in a cursive, flowing style.
