

WHAT IS

PERFORMCARE?

Come learn what **PerformCare** is all about! **PerformCare** provides access to the right care at the right time. **PerformCare** creates partnerships between parents, family support organizations, service providers & care managers so that parents & caregivers are the primary force behind planning & treatment for your child.

NJ PerformCare is an advocate & active participant with NJ Children's System of Care.

PerformCare utilizes significant expertise & integrated technologies to register & authorize services for those experiencing emotional & behavioral challenges & for children, teens & young adults who have substance use treatment needs or have intellectual/developmental disabilities.
