Learn MORE with Mt. Pleasant's Online Resources!

BrainPop & BrainPop Jr.

BrainPOP engages students through animated movies, learning games, interactive quizzes, and more. Their resources include BrainPOP Jr. (K-3), BrainPOP, BrainPOP Español, and, for English language learners, BrainPOP ESL. Science, Math, Social Studies, Language Arts, Technology, Engineering, Arts, Music, Health, Reading, and Writing are offered. Content is mapped to the Common Core, and aligned to academic standards.

PebbleGO & PebbleGO Next

PebbleGo (grades K - 3) offers four databases: PebbleGo Animals, Science, Biographies, and Social Studies. Databases are simple to navigate and offer key reading supports such as read-along audio and word-by-word highlighting. PebbleGo Next is the next step in research for students in grades 3-6. It adds curriculum-connected content starting with State information & Native American Studies.

Culturegrams

CultureGrams fosters understanding and appreciation of the world's countries and people by creating and publishing reliable up-to-date cultural content. Today the CultureGrams series is one of the most trusted and widely used cultural reference and curriculum products in education.

World Book Online

World Book Online offers several access levels, including Early Learning, Kids, Student, and Advanced to provide learners with the most suitable and up-to-date information.

EBSCOhost Online

EBSCOhost offers a wide range of full text and bibliographic databases designed for student researchers. You can rely on EBSCOhost to provide the most accurate information.

NetTrekker

NetTrekker is an academic search engine that is safe, reliable, fast, and easy-to-use for students, parents, teachers, and school librarians. Use NetTrekker to research topics for class projects all from the comfort of your own home.

Enchanted Learning

Enchanted Learning, LLC produces K-12 educational material that is published online. The company's mission is to produce materials that emphasize creativity and the pure enjoyment of learning. They have 35,000 pages on the website covering a wide range of topics.
