Dear Parent/ Guardian

This correspondence serves as notice of one (1) confirmed case of COVID-19 reported at Thomas A. Edison Middle School. Contact tracing has been conducted and notifications to students and staff have been taking place. The necessary quarantine has been implemented to restrict the further spread of the virus.

School personnel will notify you if your child is affected and, likewise, the administration will notify staff affected by such instances of positive cases. If you have any questions about your child's need to quarantine, please contact your school nurse or building administrator.

Please note that additional, district-wide case information can be found on the district website on the [COVID 19 Dashboard](#).

Respectfully,

Xavier Fitzgerald
Principal
