Dear West Orange Public School Community:

As a final piece of information that we received from the state concerning Way2Go cards that have been erroneously mailed to homes who do not qualify for the program: “please accept our apologies and feel free to destroy the card.” The P-EBT program directly supports New Jersey eligible students from the state level and for those who mistakenly received the P-EBT card Way2Go, please feel free to shred or cut the card and dispose of it.

Thank you.

Sincerely,

J. Scott Cascone, Ed. D.
Superintendent
