I strive to create a safe, structured, and positive classroom environment where your child will be able to make meaningful progress towards IEP goals and standards. My ultimate goal is to make sure your child is safe, happy, and reaching their full potential at school!

Please do not hesitate to contact me if you have any questions or concerns this school year. I welcome a collaborative approach towards education and encourage parental involvement. I look forward to meeting and working with you and your child to help them reach their highest potential.
