To Whom It May Concern:

Please consider this formal notification that, as a result of the COVID-19 pandemic and social restrictions currently mandated, the West Orange Public School District is conducting the 2020-2021 academic school year virtually until such time when it is reasonably safe to allow in person instruction to occur. The district will then implement a hybrid model in order to allow for students to report to their respective school building certain days of the week on a modified schedule.

Sincerely,

J. Scott Cascone, Ed. D.  
Superintendent
