J. Scott Cascone, Ed. D.

Superintendent of Schools

2020-2021

Dear Parents/Guardians and Staff:

In accordance with the Asbestos Hazard Emergency Response Act (AHERA), parents, guardians, teachers, children, and employees of the West Orange School District must be notified annually of the district's activities regarding asbestos found in the schools.

In the past year, West Orange has completed operations and maintenance activities and various inspections to comply with Management Plan requirements. The district has also conducted an awareness-training seminar for all new and existing custodial and maintenance staff.

The Management Plan is in the main office of each school and is available for your review during school hours. The principal of each school is the local representative and will provide the AHERA Management Plan upon request.

Robert Csigi, Director of Buildings and Grounds, is the district representative and will provide the AHERA Management Plan upon request. Mr. Csigi can be reached at (973) 669-5400, extension 20580 or at rcsigi@westorangeschools.org.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Scott Cascone". The signature is fluid and cursive, written over a white background.

J. Scott Cascone, Ed. D.
Superintendent
