Dear Parent or Guardian:

Welcome back to a new and innovative school year. On Tuesday, October 29, 2013 at 7:00 P.M., we will be hosting a Welcome Evening for parents and/or guardians. This special evening will consist of a sharing of information pertaining to the various intervention services offered by our Title I/Basic Skills Program as well as beginning a process of building community with our parents. It will be an opportunity for parents to come together and share their thoughts and ideas on meeting the needs of their children as well as initiating a process that will connect the learning environment at home with the learning environment at school so both may become a haven of academic success and a community of trust.

As a part of our Welcome Evening, we will have a guest speaker who will provide some useful strategies in "How to start the new school year off on a positive note."

Please note the following information:
